## New Majestic Malleable and Charcoal Iron Ranges

The MAJESTIC MALLEABLE and steel range as formerly turned out by the Majestic people has been considered throughout the country as par excellence, and far ahead of any other range made. WE WANT YOU TO CALL at our store during this week, and let us explain this new feature:—CHARCOAL IRON BODIES; let us explain why it is the best material for range bodies, and incidentally why it is not used on other ranges. We want you to call if you intend to buy or not as the information gained will serve you in the future.
